Mentales Segelflug Training (MST) - Mit Köpfchen erfolgreich fliegen

Fraglos ist mentales Training der Königsweg für den sportorientierten Segelflieger, um sich zu verbessern. Für das aktuelle Seminar (23.-25. Januar) sind aber leider alle Plätze schon vergeben. Das nächste Seminar findet im Januar 2016 statt - wir merken euch gerne vor (bitte Mail an mail@onlinecontest.org).

Vielen Dank für euer Interesse.

Im „Trainingslager“ mit Reinhard Schramme

Für Ralph Bürklin ist dieser Januar etwas ganz besonderes. Nicht nur, dass er im traumhaften Bitterwasser fliegen kann, sondern auch, dass er in diesen Tagen mit Reinhard Schramme in der EB 28 unterwegs ist. Die Leistungsgrenzen des Flugzeugs und auch die eigenen an der Seite eines so erfahrenen Streckenfliegers austesten zu können, ist für ihn eine absolut wertvolle Erfahrung. So kann man sehen, dass sich die Punkte täglich anhäufen...

From Kingaroy to Benalla - including a "little" detour...

After finishing second in the Australian Sports Class Nationals held in Goondiwindi in October 2014, David Jansen lately took a tow to new heights from his home airfield in Kingaroy. With a free distance of 1308 km in an ASG 29 he claimed a new continental record in the Open Class. His OLC distance of 1580 km was rewarded with 1330 points. David's one way track looks truly amazing! Obviously a flight like that cannot be achieved without proper planning and training...

Matthew Scutter conquers Australia

Australia's OLC scores look good these days, maybe not as exciting as the African scores, but from time to time several 1000+ points flights pop up on top of the list. One of the ambitiously flying pilots Down Under is young Matthew Scutter, who used to live in Adelaide, and flew from Gawler but now moved to work in Sidney and thus had to relocate his Dicus 2. Matthew joined Bathurst Soaring Club and currently flies from Pipers Field, a 3 hours drive from Sidney... However a few days before Christmas he managed a great triangle, scoring more than 1100 points...

The OLC needs Your support, or: How to get a Smiley?
Even though the OLC is managed as non-profit organisation by a voluntary team, the technical operation of the system requires a considerable amount of money, (e.g. over the years, the server hosting has grown into dimensions, which cannot be managed on a voluntary basis anymore, and is therefore done by a professional service provider).
Therefore, we need as much donors as possible who support the OLC with a minimum of 12 Euro per year.
Every donor, gets a little thank you, by adding a thank-you-smiley to his competitors name.

OLC-Partnership
We need your support!

Support us...
The OLC-Partnership is for all interested people who will support the worldwide leading database and scoring system for gliding, paragliding and hanggliding without having a german bank account or being in the "OLC-Förderverein". With a small donation you can support our nonprofit organization ([Segelflugszene aGmbH](#)) to encourage the growth, development and maintenances of the free OLC. Of course it will also help to improve the running system and to develop new features.

What you can get:
The first consequence of your donation will be a faster, highly functional OLC-System for FREE. But thats not all. If you are a pilot your donation of minimum 12 EUR will fix a smiley to your name in all scoringlists for one year. If you donate 24 EUR the smiley will be active for 2 years, 36 EUR = 3 years, etc... The Maximum-Smiley-Activation-Duration will be 5 years regardless of the donation amount.

How it goes...
The following link will lead you to a page where you can enter the amount of donation. If you confirm this amount by pressing the "Continue"-button you will be redirected to a web-interface from our bank. None of the data you enter will be stored on or passed through the OLC-System. Redirected to the web-interface you can do the credit transfer with your Mastercard or Visa-Card. After doing the credit transfer we get the information of your donation amount and will add the smiley accordingly. Please appreciate that the activation of your smiley will take some days. Four weeks before your smiley-activation-duration ends You will get an information.

Short-Steps:

1. Login (For getting a smiley it is urgent necessary!) - [Help for Login](#)
2. PUSH the "Donate Now >>"-Button
3. Complete the amount of duration (EUR) (redirected to the web-interface of our bank)
4. PUSH the "Continue with SSL"-Button
5. Choose your Credit-Card-Type
6. Complete all necessary data and confirm it
7. **THANK YOU** for supporting the OLC, your smiley will be added automatically!
