Paris, 3 rd April 2020,

M. Eric MOZER  
IGC Chairman

Subject: Postponement of the WGC 2020 in Châlons

Dear Eric,

We read carefully your letter received on 30 March 2020 and we thank you for the new opportunities proposed by IGC bureau.

Health situation is still degrading in Europe and we don't know when the epidemic peak will be reached. Meanwhile, we received many informations from pilots and volunteers regarding their lack of availability next summer.

So, we are now considering that conditions won't be gathered to organize a good WGC in 2020.

Hence, as proposed in your letter, we actually wish to postpone the WGC in the Club, Standard and 15m classes to the summer of 2021. It will allow us to organize a successful WGC in the french flatland.

We wish you, and all the IGC members, a safe and healthy period home.

Yours sincerely,

Jean-Emile ROUAUX

Chairman FFVP

Pierre HUET

Chairman ACVV
