## 310 Days to WWGC2022...

...your October update from Team WWGC2022

Greetings from Team WWGC2022 to all pilots and team captains,

we are really looking forward to welcoming you to HusBos next year! Our pre-worlds practice competition, the HusBos Challenge Cup International, was extremely successful and a great test of the organising team - we're just sad that due to COVID so many of our overseas friends were unable to join us.

If you'd like to come over for some pre-WWGC practice in 2022, there are various opportunities. The HusBos Challenge Cup is running from 16-23 July - click below to register:

It's a popular competition, so register soon to reserve your place! You can fly in one of the other UK competitions - see timetable at [https://members.gliding.co.uk/...](https://members.gliding.co.uk/)

- we can help you with entries to any of these competitions. Alternatively, you can simply come to HusBos earlier in the season.

We're putting together the key information you need to know about entries, dates etc and we'll be sending this out shortly. Right now, we'd really

appreciate if you would let us know by the end of October that your nation is going to compete, how many pilots will be in the team, whether you plan to come over for pre-comp practice and what your accommodation plans are. Please give us your best guess - of course we understand that plans may change but it will help us make arrangements. Tell us by completing the form here:

Between now and the competition, we will keep you up to date with arrangements, information and key dates. Now that the competition season is over (in the northern hemisphere anyway!), please encourage all team members, manager and captain to subscribe for these updates. If you got this mail direct, you are on the list! - anyone who has not yet subscribed can sign up by clicking on the link below:
