

Dear Friends,

6TH FAI

JUNIOR EUROPEAN GLIDING CHAMPIONSHIP 2023

On behalf of the Dansk Svæveflyver Union (DSvU) and Kongelig Dansk Aeroklub (KDA) I am honored to invite all junior European glider pilots to compete in the 6th FAI Juniors European Gliding Championships 2023.

JEGC 2023 will be held in two classes: Standard Class and Club Class at Arnborg Airfield (EKBH) from 29th July to 12th August 2023. Arnborg Airfield and all the facilities on-site are owned by DSvU. It is situated in the middle of Jutland where the best conditions for gliding are. The airfield is open for training all summer – with air tow available every day.

The tragic conflict in Ukraine has brought devastating consequences for all of us, and we are hoping for a peaceful Europe soon. If there is anything we can do to make Ukrainian glider pilots able to participate – please contact us.

Despite the challenging times we are living in, we are determined to make it an exciting and safe championship.

We are looking forward to seeing you in Arnborg next summer!
