Invitation – 2027 French Nationals and Seine&Marne Gliding Cup

Dear Pilots and National Teams,

Coulommiers will have the honor of hosting the **FAI World Gliding Championships 2028** in the **18m, Open and 20m Multi-Seat classes**. Located in the heart of the Brie region, just east of Paris, Coulommiers airfield offers a varied and challenging soaring environment, perfectly suited for high-level international competition.

To help you get familiar with the task area, explore the regional cross-country potential and test our facilities, we warmly invite you for our training events taking place from **Sunday, August 1 to Saturday, August 7, 2027** (competition days):

- **French Nationals in the 18m and Open classes**
    - Dedicated slots are reserved for international pilots.
    - You can request an invitation from the French Gliding Federation (FFVP) by completing this form: https://bit.ly/ffvp-cdf2027-formpreinscription
    - *Please note:* Both classes will use the standard FFVP handicap system.
- **Seine&Marne Gliding Cup**
    - A single class using handicaps open to any modern glider.
    - You can request an invitation via this form: https://forms.gle/fNqYv43YxWsieBru9

Both competitions will follow the FFVP sporting rules, which closely align with IGC Annex A.

We recommend submitting requests for both events if you are eligible. The AACM-FFVP organizing team will do their utmost to accommodate as many competitors as possible.

Don't miss this opportunity to get an early feel for the venue ahead of 2028.

We look forward to welcoming you to Coulommiers!

Warm regards,

Nicolas Lachaux **-** president@planeur-aacm.net
